**New Years
Resolution**

The New Year 2009 is just around the corner. For something different make one ham resolution. Pick just one thing in amateur radio you would like to do and use all year 2009 to achieve it. Send in to Ø-Beat your resolution and from time to time an update on how you are doing to.

**Thursday Night Net
Clarification**

Last month we announced a Thursday night 10-meter net on 28.4 MHz at 7 pm. It was announced that the net would take place in the AM mode, but rules and Regulations only allow Generals and higher to use AM in that segment of the band. Unfortunately, Techs and Novices, even though they have phone Privileges there, can only operate SSB phone. Therefore, the net should start out in SSB mode, then move to AM or FM with only the Generals and higher. The PPRAA does not want to be contributing to anyone earning a pink slip from the FCC for violating this rule unintentionally. See 97.305(c) and 97.307(f)(10) for the rules."

**PPRAA BOARD MEETING MINUTES
17 November 2008**

Attendees: Dan WØRO, Mike WV7T, David KØDA, Dennis ACØIV, John KCØJFH, Doug N7LEM, Bill KDØJU, and Dennis NØABC.

President Doug N7LEM called the meeting to order at 7:00 PM at the Stetson Hills Police Substation.

Reports

Treasurer's Report – Dennis ACØIV reported that we have \$11,190.43 total in our accounts as of 5 November 2008.

COQP 2008 –Doug reported that he has about 8 logs left to score out of 80 or 90 submitted.

Christmas Party

The annual Christmas party will be Wednesday, 10 December 2008. Dan has reserved the Golden Corral at Woodmen and Powers conference room for the evening (6:30 PM start). Dennis ACØIV will get the door prize gift certificates. Dennis ACØIV/Dennis NØABC moved/seconded to spend \$50 for door prizes in addition to the gift certificates. Dave will handle this.

Plaques

We will need to get award plaques made for Christmas party presentations and COQP awards.

HamCon 2009

Dan stated that we will be responsible for talk-in. Will also be having regular QSO's as station W1AW. Two UHF radios will be required for this activity. There was also a question about insurance coverage for the event through our club insurance. Date is the last weekend in May, including Friday.

Megafest 2009

This will be July 18 or 25. Rob is waiting for confirmation from LPHS. At the club meeting the group decided to get the Icon 756PROIII. Dennis will cancel the Elecraft K3 order.

New Business

Operating Events

Doug wants to get the members more involved by hosting an operating event every other month starting in Feb 2009. If you have any ideas or suggestions for these events, please contact a board member.

Around the Table

Dan WØRO inquired about the warranty status of the radios purchased for prizes from HRO. Dennis ACØIV will inquire about this when he purchases the radios.

Mike WV7T distributed a list of club assets and its location. Mike has transferred most of this stuff to Dan ACØCC and Dan WØRO.

Dan WØRO suggested that we trim the club meeting business meeting time down by having a “hot sheet” that has the details of the treasurer’s report and committee reports.

David KØDA is looking for suggestions for programs.

The meeting was adjourned at 8:30 PM.

Next PPRAA Board meeting: 7PM, Monday, 19 January 2008, at the Stetson Hills Police Substation. (No December board meeting).

Confirmation of the final date is still pending from LPHS. It expected to be in July, either the 18th or the 25th. An informal poll was taken regarding the selection of the main prize of either an Icom
