## Retiring from PPRAA

This month will be 42 years since I first joined PPRAA as a 16 year old high school student. I have been a member on and off since then, and the past 13 of 15 years I have been an officer, board member, and associated with the board. I feel I am no longer making a difference in the club. Tutoring licenses and hands-on practical opportunities will continue. With my departure in January several areas will need to be covered, Zero Beat Editor, callsign trustee, and Tech Ed. My last Zero Beat will be the January 2014 issue. It has been fun to have been a member.

## ARRL Affiliated Clubs-Outgoing QSL cards

ARRL affiliated-club stations may use the service when submitting club QSLs for its members in bulk ("pooling" their members cards together in one package) by indicating the club name inside the package. Club secretaries should check club affiliation on the ARRL web site to ensure that their affiliation is current. In a "pooled" package, each club member using this service **must also be an ARRL member**. Cards should be sorted "en masse" by prefix and a proof of membership should be enclosed for each ARRL member. QSLs for unaffiliated club calls may also be sent via the outgoing bureau to foreign destinations if the trustee of the club call is a member in good standing. The trustee's proof of membership must be included with the club call-QSLs.

## Ø-BEAT JUNE 1983

National Sports Festival is this months. 200 hams are needed, 100 of them during the nine days of games in COS. There will be two planning meetings coming up: May 25 and June 8. The club will buy 3,000 business cards for members to carry and hand out. Les is preparing a membership roster for all club members. Since the club is not officially sponsoring Field Day, the money previously spent for it will be used for the Olympic Training Center station. The club turned down two short-notice public service events. The club will use the Festival's bulk mailing permit to mail out letters asking for volunteers to help with the NSF. The June meeting will be again at the Palmer House Motel at Fillmore and Chestnut. A sample of the commemorative QSL card for the NSF was printed
